# WALL

## VOL-4

Pvc wallpaper usually gives people a sense of solemnity, generosity and resplendence. It is very suitable for occasions with strong atmosphere, such as public entertainment places such as singing halls, hotels, bars, or living room space. Its shiny and noble texture is mixed with plain paper. It is mainly used on the main wall of the living room.

The image shows a modern interior space. The wall is covered in a repeating pattern of stylized, overlapping leaves in shades of yellow and light green. In the foreground, a plush, brown leather sofa with several matching cushions is positioned. To the right, a portion of a pink armchair is visible. The floor has a light-colored, geometric tile pattern. In the upper left, a decorative panel features a draped, ruffled fabric in shades of brown and orange. A white text box is overlaid on the left side of the image.
